Meeting Report

GNAM made a welcome return in 2021 having had to sustain a break because of Covid-19 in 2020, on a slightly later date because Lilleshall were not allowing events to be hosted earlier in the year. 65 Archers shot over the 3 days and this year we also invited Archers to shoot the shorter Bristol and National rounds, which proved popular.

At assembly we welcomed all the GNAM first timers individually, with this year about half present were shooting their first GNAM. The meeting was then formally opened by one of our Olympic Team who were shooting, Patrick Huston. Patrick borrowed a longbow to shoot the first arrow, but unfortunately he forgot it didn't have a finger sling and both the bow and arrow barely made it past the 3m line! However his second attempt was much more respectable although it still missed the target!

As shooting proceeded, the meeting was sedate and the Judges not necessarily rushing us to and from the targets to score. Indeed Mick Pearce and Dave Harrison were entering into the meeting spirit and could be heard chatting to the Archers most of the time. They did have a task to perform throughout Saturday and Sunday through the form of a 'pub quiz', where a new question would be read out each scoring end, although in reality this was a few questions now and again, when Dave remembered or was reminded! Combined with 4 picture rounds in with the scoresheets, this had the desired effect of getting the Archers to talk to each other and there was most definitely whispering of answers and discussions with each other along the tent line!!!

The opportunity to break records for rounds rarely shot was certainly feature of the meeting and records did fall. The most publicised being Patrick Huston breaking the long standing Double York bringing the new record to 2420. Patrick also broke the Long National record on Monday. But it didn't end there. In total 15 records were broken. Rob Twigg, Lindsay Howard, Alfie Ridding and Grace Curran to name a few. However two other notable records were broken by Sheila Hudson shooting her Longbow. The Double York and New National, which means that Sheila now holds every UK record for a lady Longbow. As well as records we had 3 pages of Rose awards claimed as well as a six gold end badge. Too many to name individually. Well done to you all.

If you have any thoughts or comments on the 3 days, both good or bad please do get in contact. We want to improve on the atmosphere of the event as well as increasing attendance.

So that brings a close to the 166th GNAM for 2021. We look forward to seeing everyone again in 2022. As the saying goes, bring a friend. Or two...!!!
