The Battle of Shrewsbury

King	680	Total score in the first clout
Rebels	855	Total score in the second clout.
Thus a comprehensive win for the	REBELS	

Overall positions are calculated on the aggregate ranking of a participant for clout and target, based on their scores.

Where 2 archers have an equal ranking then the archer with the most hits overall will be the winner

No archer may win more than one prize in the clout archery.

No archer may win more than one prize in the target archery.
